Elizabeth Moro for State Rep

Ask yourself who is best situated to represent our needs in Harrisburg. Is it Elizabeth Moro who is a small business owner, real estate broker and community advocate? Or Craig Williams with his background as a Marine fighter pilot, military and federal prosecutor, and PECO attorney? At a time when the cost of healthcare, housing and energy are paramount, we need Elizabeth Moro as our state representative because she is the candidate best attuned to the critical affordability issues.

There are also important contrasts between the candidates on key issues. Moro supports an increased minimum wage, paid parental leave, fair housing rules, protection of voting rights, regulation of data centers, and reasonable gun safety laws. Williams voted against legislation promoting these policies. Moro's efforts to preserve Crebilly Farm demonstrate her commitment to the community. Williams was absent from the Crebilly effort until time for the photo-op to claim credit for its success. Elizabeth Moro is the candidate who will show up for us and vote for the legislation we care about.

Re-elect Shapiro and Houlahan

Pennsylvania Democrats seek a trifecta of election victories this fall by re-electing Governor Shapiro and Lt. Governor Austin Davis, gaining control of both houses of the PA legislature and winning a majority of our delegation in the US House of Representatives. Returning Shapiro and Davis as Governor and Lt. Governor will allow Pennsylvania to continue to resist Trump/MAGA policies. Ending the divided control of the PA General Assembly will lead to passage of important legislation on minimum wage, transportation, and data centers. Turning four Pennsylvania congressional districts blue (i.e., the 1st, 7th, 8th and 10th) will contribute importantly to establishing Democratic control of the US House of Representatives.

A strong turnout by Chester County Democrats and Independents is essential to insure victory for the Shapiro/Davis team in Harrisburg and for Chrissy Houlahan in the the 6th US Congressional district. Our part in securing Democratic control of the PA House is to flip our district and elect Elizabeth Moro as state representative for the 160th.
