## School Directors

School boards have become the focal point for the contest between those who want to strengthen public education and those like Moms for Liberty who want to undermine it by diverting resources to charter schools and imposing intolerant and anti-democratic values on our classrooms and libraries.

Gary Bevilacqua (WCASD Region 3) Victoria Baratta and Mary Kate Loomis (UCFSD Region B) are all committed to public education and will

- support a curriculum that honestly portrays our history
- promote diversity and inclusion
- foster the development of all our children

## Westtown Supervisor

In November 2022, Westtown voted overwhelmingly to approve an open space tax to fund the preservation of Crebilly Farm. As we consider candidates for township supervisor, we need a candidate who is committed to the Crebilly project in order to maintain the progress that has been made. Phil Garabedian is the candidate who will provide the second vote on the Board of Supervisors to ensure that work on Crebilly proceeds smoothly. In addition to support for Crebilly, Phil's campaign issues include:

- Increased government transparency and accessibility
- Fiscal stability and efficient working administration
- Continued investment in Westtown parks and expanded recreational activities
- Promotion of citizen engagement by finding ways to effectively communicate
