We support Kamala Harris and Tim Walz because they will continue to:

- Protect our healthcare and reproductive rights.
- Combat climate change and preserve our environment.
- Advocate for policies that serve the economic well-being of the middle class rather than the elite.
- Promote our security at home and abroad.
- Defend civil and democratic rights for all of us.

The choice for President is really quite simple.

Beyond policy preferences, character is an even more fundamental reason to choose Kamala Harris over Donald Trump. We may vote for a candidate even if we disagree with some of her policies, but we should never vote for a candidate like Donald Trump who so clearly demonstrates a lack of character.

Donald Trump's lack of character is manifest in his frequent lies on matters big and small, his lack of empathy and respect, his disdain for the rule of law and democratic values, his self-pity and desire for revenge, and his own criminality.

We have a clear choice between Kamala Harris, who has made a career of public service, and Donald Trump, former reality TV star, corrupt businessman, twice-impeached former president, and convicted felon, who serves only himself.

How You Can Help

The WTB Dems depend on our volunteers to greet voters at the polls on Election Day, to canvass our neighborhoods in support of our candidates, and to help with mailing, phoning and texting efforts to get out the vote. We also need committee people in some of our precincts where there are vacancies.

Vote the entire ballot.

Please cast your vote in all eight races on this year’s ballot. The four legislative contests and the three races for state officers are also important.

Both Bob Casey (US Senate) and Chrissy Houlahan (US House of Representatives) deserve re-election. In addition, Democratic majorities in the US Congress are essential if we want to confirm our judicial nominees and eliminate the filibuster in the Senate and avoid the chaos we’ve seen in the Republican-controlled House.

John Kane (PA Senate) and Elizabeth Moro (PA House) are advocates for reproductive rights, reasonable gun laws, and education funding. Re-electing Kane and electing Moro are important steps toward achieving Democratic control of the General Assembly. With Democrats in charge, we advance our priorities and defend against misguided Republican policies.

The three state offices (and our candidates) on the ballot are Attorney General (DePasquale), Auditor General (Kenyatta), and Treasurer (McClelland). All three Democratic candidates are excellent choices for these critical offices. Their individual experiences make them sensitive to the needs of Pennsylvanians, effective as watchdogs of the public interest, and capable of non-partisan administration of their offices.
